DELHI GOVERNMENT EMPLOYEES HEALTH SCHEME

(Updated as on 16th Oct 2008)

Introduction

Delhi Government Employees Health Scheme (DGEHS) was launched in April 1997 with a view to provide medical facilities to Delhi Government employees and pensioners on the pattern of Central Government Health Scheme on the basis of monthly contribution.

The scheme has been modified vide O.M.No.F.342/81/2003/H&FW/3264 Dated 06-10-2003 dated 21-2-2005 and dated 25.10.2007.

For this purpose, the Directorate of Health Services is providing Health cards to all the Delhi Government Departments/Offices on receiving their requirement. The cards are issued to the employees/pensioners by the respective offices, which entitles them to free treatment in dispensary/hospital of Govt. of Delhi and facilities in recognized private hospitals as per provisions of scheme.

In case of non-availability of medicines in the attached dispensary/hospital, the employee is entitled to reimbursement of the cost of the medicines. Some private hospitals have also been empanelled under the scheme for providing treatment/diagnostic facilities, where a beneficiary can go after referral from Authorised Medical Attendant in Non-emergency/routine cases and may also approach these hospitals directly in case of emergency.

The hospitals/diagnostic centres provide treatment/diagnostic facility to beneficiaries at CGHS approved rates and also provide credit facility to beneficiaries during emergency condition to card holders.

In case of pensioners, they can avail of the benefit if they make a lump sum payment which is equivalent to their subscription for ten years i.e. 120 months.
